

### Mission

The “Path of Divine Restoration” (PODR) is passionately committed to assisting in and providing Divine Humanitarian Services, within rapidly changing times. PODR, a Spiritual Humanitarian “*not for profit*” Organisation, is registered with the Secretary of State in Washington and exists between the USA and Coffs Harbour, Australia. Its mission is to harness and deliver to our members powerful, natural, organic healing energies that are our Spiritual Sacrament. Promoting the prevention and control of disease we develop and provide (to those in need) customised aid and relief designed to help those suffering. Through the Sacrament of PODR we will educate, encourage and inspire our members back towards their personal potential through an energetic multi level Spiritual approach. Through its Sacramental LIGHTSEEDING™ group of natural technologies, potential facilitation of optimum health for the metaphysical and psychobiological human requirement is achieved. Spiritually ancient principles paving a modern evolutionary approach to Holistic (Mind, Body, Spirit) Wellness.

### Statement

PODR will recognize, foster and develop the minds, souls and technologies of a new wave of truly conscientious leaders for our future collective well being. Recognising the power of Energetic Balancing and incorporating numerous technologies to access our own innate and intuitive internal Divine Restorative Mechanisms. Acting as a buffer between our Inspired scientific brain trust, inventors and the rapidly changing markets and financial landscape, our Integrative Technologies, Complimentary Wellness Protocols and Bio-Energetic Nutritional techniques are based at the forefront of today’s personal Health and Wellness industry. PODR is positioned to contribute as a vanguard Spiritual Organisation for new development and deployment of Information, Technology and Quantum leap methodology in clearing our connection to source and accessing greater realms of our Divine selves.

We will collaborate and affiliate with other like minded organizations and institutions in Designing coordinated excursions to local and foreign countries offering fully prepared task force style operations to most effectively assist in the detection, treatment and correction of local environmental imbalances, whilst assisting with the ever growing local and global epidemics/pandemics that we currently face. Through Divine Service and Guided Collaborations our team of Scientists, Inventors, Phd’s, Medical Professionals, Healers and Shaman act with educated and guided compassion while paving new ways towards real time detection and solutions to our Local and Global health challenges. It is every humans God given right to emerge from a state of Sickness, whether it be mental, physical or Spiritual. To Unlearn, Learn, Integrate, Balance, Practice and Restore ones complex divine self is the emergence of the divine intelligence of God.
